VISUAL BOARDS

FINISHES

Plastic Laminates

High pressure plastic laminates in solids, patterns and woodgrains from Formica, Wilsonart, Nevamar and Pionite are available in matte finishes and at standard list prices. Premium priced laminates within these lines are subject to an upcharge. For these or laminates from other manufacturers such as Laminart or Abet, please call us for a quote.

Colora

COLORA is a textured polyurethane material applied to MDF board in two steps. It is scratch-resistant and stain proof. Although highly durable, COLORA surfaces are not as hard as laminates. COLORA is leather-like in appearance and seamless. It is applied to table tops, edges and cabinet cases. All table tops in plastic laminates, veneers and COLORA with COLORA edge profiles feature 1/8" dia. inlay in matching or contrasted COLORA color. COLORA is available in 21 standard colors – refer to COLORA CARD. Custom color charge is \$250.00 NET per color mix.

Wood Veneers, Wood Edges

Veneer tops and hardwood edges and cabinet cases are flat cut species of Maple, Cherry and Walnut offered in numerous stains. Refer to VENEER CARD. Custom stain charge is \$198 NET for set-up and \$44.00 NET per unit. Prismatic offers all regular and premium veneers which are readily available – please inquire for pricing. Veneered surfaces are semi-open and finished in a low-medium sheen and clear catalyzed lacquer.

Stone

Standard marble and granite varieties are shown in the STONE CARD. Prismatic will make available most stones specified by customer, often at no up-charge. Stone surfaces vary greatly in color, texture, pattern and quality. Marble in particular is seldom free of fine cracks or other imperfections. All stone surfaces have natural polish.

CABINET and CONSOLE/SERVER TOP - EDGE CONFIGURATIONS

Specify cabinet top-edge profile and finish from Table Series.

Plastic Laminate Top	Plastic Laminate or Colora Top	Veneer Top	Stone Top

MEETING ROOM ACCESSORY UNITS

FEATURES AND OPTIONS

> Cabinets are designed to match or compliment all Prismatic meeting and training room tables. Cabinet tops can be specified in same finish and edge profile as the selected table series. Storage components are modular and available in two, three, four or five door configurations. Typical conference and training room accessories and electronic equipment can be housed in wire-managed storage cabinets.

> Storage units are constructed with 3/4" thick medium or high density particleboard and finished in COLORA colors or in wood veneers. Cabinet interiors and backs are fully finished to match the exterior surfaces. Veneer doors and drawers are equipped with European hinges and full-extension slides and are book matched across their width.

> Each storage section is equipped with one adjustable shelf.

Metal Base Trim

Cabinets are equipped with tubular steel base trim finished in COLORA colors or optional Pol. or Satin Chrome, or Veneers.

Levelling Glides

Cabinets can be levelled from inside with an L key (supplied).

Door and Drawer Pulls

Drawers are equipped with Flap or Bar Pulls. Doors are touch latch but can be specified with Flap or Bar Pulls at an upcharge.

Flap Pull

	Colora	\$21.00
	Pol. Chrome	\$21.00
	Satin Chrome	\$30.00

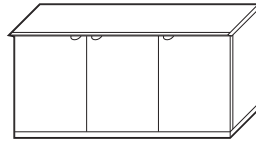

Bar Pull

	Colora	\$46.00
	Satin Aluminum	\$46.00

MEETING ROOM ACCESSORY UNITS

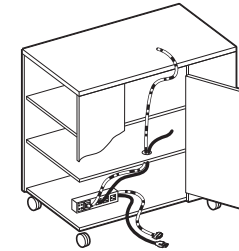

WIRING OPTIONS

Cabinet wiring

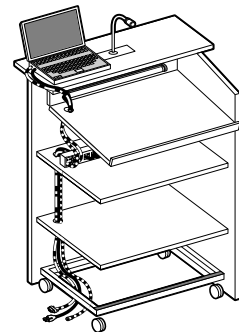

Wood or Stone Top Cabinets, Two to Five-Door Units with or without drawers are optionally equipped with grommets and cut-out backs to accommodate all media equipment and wire management. TV or computer monitors, laptops, overhead projectors, VCR and DVD players and other electronic equipment can be housed on top and interior surfaces. Optional UTP Power/Communication Unit or a six-outlet Power Bar.

AV and Computer cart wiring

AV and Computer carts accommodate TV or computer monitors, laptops, overhead projectors, VCR and DVD players on top and interior surfaces. Vertical and horizontal grommets, and hinged access door provide easy connections. Optional UTP Power/Communication Unit or a six-outlet Power Bar.

Lectern wiring

Laptop computer and customer supplied microphone mounted on an aluminum plate are accommodated on straight top surface of lectern. Angle-adjustable work surface and adjustable shelves or cabinet feature grommets for wire management. Optional Reading Light is slim florescent with switch and 6' cord managed through the unit. Optional UTP Power/Presentation Unit.

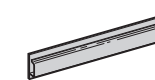

POWER and PRESENTATION MODULES (see pages 10 & 11, for pricing)

GROMMETS

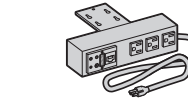

- GROM1
2-1/4" dia.
- GROM2
1-3/4" dia.

WIRE MANAGER

- WHV
Horizontal wire manager.

UNDERTOP

- UTP
Contains 3 simplex outlets and 1 telecom faceplate.

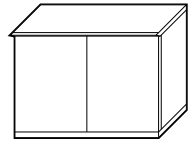

POWER BAR

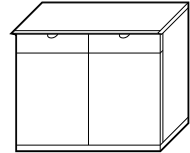

- PBS
Six-outlet power bar with suppressor.

STORAGE CABINETS

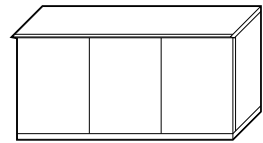

See FEATURES, OPTIONS and FINISHES, and refer to COLORA, VENEER and VINYL CARDS for selection of top, edge and case finishes. Drawers are equipped with Pulls; optional for touch-latch doors. Standard base trim is COLORA; chrome and veneer are upcharged.
Specify: model number - top finish and edge profile - cabinet finish - base color - drawer and (optional) door pull style and finish - optional base finishes, locks, extra shelves, etc.
