PIATO BY PRISMATIQUE

Piato occasional tables

Piato - simple elegance, no clutter. Designed with classic lines, this sturdy plate base series combines beauty and engineering to provide a dependable option for any space.

Start at the top

The design collaboration begins with the tabletop. Whether it's granite, marble, wood, glass, laminate, "inlay" combinations or something completely different, our experience in offering surface material freedom lets you transform your ideas into tables built to impress.

Customize with confidence

Prismatique has specialized in tables for over 25 years. To us, every aspect of a table is important so we precisely engineer from top to bottom.

In addition to a complete range of standard tables for conference, training and occasional applications, we offer the ability to customize with confidence. For variations in size, finish, detailing or materials, you can count on Prismatique's expertise to deliver to your specifications.

Learn more about customizing your Piato occasional tables on the back page.

Customize your Piato

Your size? Whether it's a small change or a radical departure from our popular sizes, talk to us about creating a table that fits your precise requirements.

Your height?

a table at a height that meets your specs.

Your top?

We already offer more tops than anyone in the business. But why not customize the part of the table that everyone sees first?

Tall, short, or anywhere in between, we can create

Like all other aspects of Prismatique tables, you can customize the base finish. Let us know what you have in mind.
